Independent Auditors' Report

To the Board of Directors of
I Am Waters Foundation, Inc.:

We have audited the accompanying financial statements of I Am Waters Foundation, Inc., which comprise the statement of financial position as of October 31, 2015 and the related statements of activities, of functional expenses, and of cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform our audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Qualified Opinion

Accounting principles generally accepted in the United States of America require that an entity with both control and economic interest in another entity shall present consolidated financial statements as its general purpose financial statements. These financial statements do not include the assets, liabilities, shareholder's equity or activities of I Am Brands, Inc., a wholly-owned subsidiary. The effect on the financial statements of not consolidating the affiliated organizations is disclosed in Note 3.

Qualified Opinion

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements referred to above present fairly, in all material respects, the financial position of I Am Waters Foundation, Inc. as of October 31, 2015 and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

I Am Waters Foundation, Inc.

Notes to Financial Statements for the year ended October 31, 2015

NOTE 1 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization – I Am Waters Foundation, Inc. (I Am Waters) was founded in 2009 and incorporated under the Texas Nonprofit Corporation Act to provide fresh, clean water to the homeless. The goal is to enrich the lives of America’s homeless by providing a continuous source of fresh, clean bottled water, delivered with a daily, inspirational message of hope, love and a sense of belonging to the greater community. I Am Waters distributes bottled water to the homeless through partnerships and strategic alliances with existing homeless organizations and shelters that already have a distribution network or facilities serving the homeless. I Am Waters currently serves major cities in Texas, Oklahoma, Louisiana and Arkansas.

I Am Brands, Inc. (I Am Brands) was formed on February 26, 2013 to create, expand, support and sustain the mission of I Am Waters by selling a highly innovative and uniquely branded bottle of water with the sole purpose of serving the needs of America’s homeless. Net profits from the sale of water sold are to provide support for the mission of I Am Waters. I Am Waters owns 100% of the outstanding shares of I Am Brands. These financial statements do not include the activities or transactions of I Am Brands, as disclosed in Note 3.

Federal income tax status – I Am Waters is exempt from federal income tax under §501(c)(3) of the Internal Revenue Code and is classified as a public charity under §509(a)(1) and §170(b)(1)(A)(vi). I Am Waters files annual federal information returns that are subject to routine examination; however, there are no examinations for any tax periods currently in progress. I Am Waters believes it is no longer subject to examinations of returns for tax years ended before October 31, 2012.

Pledges receivable that are expected to be collected within one year are reported at net realizable value. Pledges receivable that are expected to be collected in future years are discounted to estimate the present value of future cash flows, if material. At October 31, 2015, all pledges are expected to be paid in the next fiscal year.

Inventory consists of water bottles and related supplies for distribution to the homeless through community service organizations serving the homeless population. Inventory is stated at the lower of cost (first-in, first-out basis) or market.

Intangible assets – I Am Waters has developed and licensed trademarks for use by both I Am Waters and I Am Brands. These trademarks were determined to have indefinite lives and are reviewed annually for impairment or more often if impairment indicators arise.

Net asset classification – Contributions and the related net assets are classified based on the existence or absence of donor-imposed restrictions, as follows:

- *Unrestricted net assets* include those net assets whose use is not restricted by donor-imposed stipulations even though their use may be limited in other respects such as by contract or board designation.

- *Temporarily restricted net assets* include contributions restricted by the donor for specific purposes or time periods. When a purpose restriction is accomplished or a time restriction ends temporarily restricted net assets are released to unrestricted net assets.

Contributions are recognized as revenue at fair value when an unconditional commitment is received from the donor. Contributions received with donor stipulations that limit their use are classified as restricted support. Conditional contributions are recognized in the same manner when the conditions are substantially met.

Donated materials, use of facilities and services – Donated materials and use of facilities are recognized at fair value as unrestricted contributions when an unconditional commitment is received from the donor. The related expense is recognized as the item is used. Contributions of services are recognized when services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. See additional information regarding in-kind contributions in Note 4.

Estimates – Management must make estimates and assumptions to prepare financial statements in accordance with generally accepted accounting principles. These estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, the amounts reported as revenue and expenses, and the allocation of expenses among various functions. Actual results could vary from the estimates that were used.

NOTE 2 – RELATED PARTY TRANSACTIONS

I Am Brands and I Am Waters share certain administrative costs, including office space. The President and Founder’s spouse provided in-kind office space with an estimated fair value of \$19,434.

I Am Waters purchased water bottle supplies from I Am Brands during 2015 for a total amount of \$6,840.

NOTE 3 – FINANCIAL INFORMATION FOR UNCONSOLIDATED SUBSIDIARY

Summarized combined financial information as of and for the year ended October 31, 2015 for I Am Brands is as follows:
